Practice Membership Plan

You have one set of adult teeth to last your lifetime. Make it easier to take care of them.

As a dental health practice we have a preventive approach to dentistry. Working together we want you to have:

- ✓ Improved general health and wellness
- ✓ Fresher breath and more attractive teeth
- ✓ Prevention of tooth decay and gum disease
- ✓ Fewer fillings and reduced tooth loss
- ✓ Less risk of toothaches or abscesses
- ✓ Screening and prevention of oral cancer
- ✓ Your own teeth for life
- ✓ Fewer and less complex visits
- ✓ Less cost

If you value preventive care, we strongly recommend you join the EDHT Membership Plan. By becoming a member you're encouraging maintenance of your dental health and have the peace of mind that essential regular preventive care is budgeted for.

** The Worldwide Dental Emergency Assistance Scheme is a scheme established to offer support and assistance to dental plan patients who request treatment following a dental trauma and/or dental emergency or oral cancer. The Scheme responds to requests for assistance on a wholly discretionary basis. This means that, whilst the Scheme aims to provide benefits in most cases, it as no obligation to provide any benefit unless it first decides (in its sole and absolute discretion) that it should provide a benefit. There are some circumstances in which the Scheme is not designed to help and these are explained in more detail in the Scheme Handbook. Each request will be looked at individually to assess the request for benefit. Certain restrictions and limitations may apply in the event that the request is accepted and it is possible that the Scheme will decide to provide no benefit.

Choose the level of membership that suits your needs:

There are five main membership levels to match how regularly you require Dental Health Reviews and Hygienist appointments. For example if you see a hygienist every 3 months, Membership 3 is the most suitable level for you. We can recommend the level most appropriate to maintain your dental health.

Membership 9 £14.87 per month (£3.43 per week)
